

There were issues affecting this run of Lighthouse:

- Chrome extensions negatively affected this page's load performance. Try auditing the page in incognito mode or from a Chrome profile without extensions.
- The page may not be loading as expected because your test URL (https://photobogotanos.github.io/Frontend-Photobogota/admin/crear-cuentas) was redirected to https://photobogotanos.github.io/Frontend-Photobogota/?/admin/crear-cuentas. Try testing the second URL directly.
