

There were issues affecting this run of Lighthouse:

- **Chrome extensions negatively affected this page's load performance. Try auditing the page in incognito mode or from a Chrome profile without extensions.**
- **The page may not be loading as expected because your test URL (<https://photobogotanos.github.io/Frontend-Photobogota/admin/moderacion/historial>) was redirected to <https://photobogotanos.github.io/Frontend-Photobogota/?/admin/moderacion/historial>. Try testing the second URL directly.**
